

The Free Lantern

Free music, free software, a small light to carry.

The Free Lantern is Jasper Nuyens (Linux Belgium): a musician who writes the lyrics and performs the songs live as a DJ and MC, with projected visuals and lantern lights. Free by Design, twelve tracks in twelve genres, is out now.

The music has more than 125,000 Spotify streams. A new song comes out on the last Friday of every month.

THE SHOW

Jasper alone on stage as DJ and MC, with lantern lights and projected visuals.

Sets of 45, 60 or 90 minutes.

Works with one projector, best with 5 short-throw projectors.
