

The Free Lantern, stage plot

Solo DJ and MC show with projected visuals. Scale 1 m = equal on both panels. Numbers refer to the key under each panel.

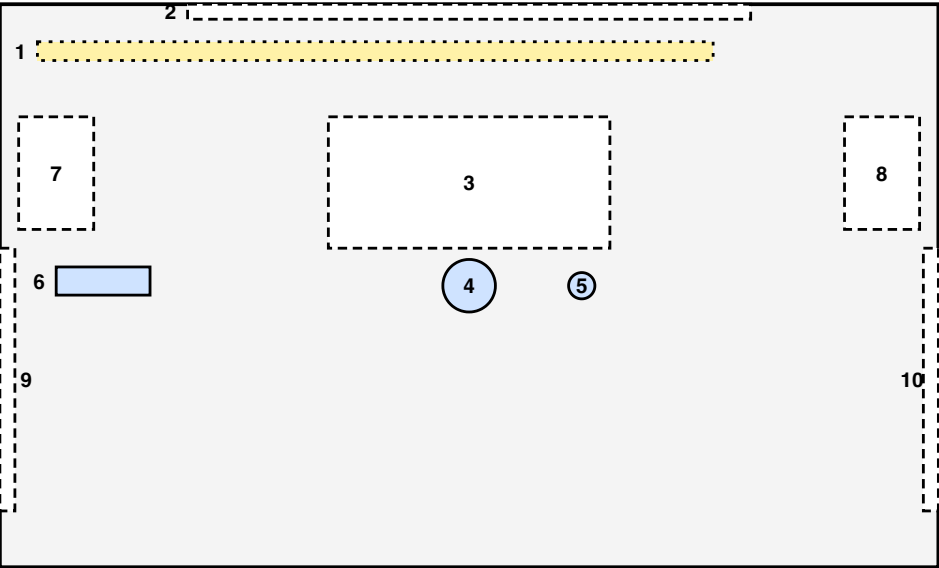

Minimum (1 projector, JBL speakers as PA)

Audience, front of stage (4.0 x 2.5 m)

- 1. Lantern lights (mains powered) (Jasper brings)
- 2. Middle screen and projector, laptop 1 is the master (venue provides)
- 3. Table about 1.5 m, carrying Jasper's Pioneer DJ XDJ-RX3 and 3 laptops (venue provides)
- 4. Jasper (DJ and MC), standing behind the table (Jasper brings)
- 5. Handheld mic (Jasper brings)
- 6. Power strip, fed from two wall outlets within 5 m (Jasper brings)
- 7. JBL party speaker, left (small rooms, serves as PA) (Jasper brings)
- 8. JBL party speaker, right (small rooms, serves as PA) (Jasper brings)

Preferred (5 short-throw projectors with screens, venue PA)

Audience, front of stage (5.0 x 3.0 m)

- 1. Lantern lights (mains powered) (Jasper brings)
- 2. Middle screen and projector, laptop 1 is the master (venue provides)
- 3. Table about 1.5 m, carrying Jasper's Pioneer DJ XDJ-RX3 and 3 laptops (venue provides)
- 4. Jasper (DJ and MC), standing behind the table (Jasper brings)
- 5. Handheld mic (Jasper brings)
- 6. Power strip, fed from two wall outlets within 5 m (Jasper brings)
- 7. Venue PA, left: stereo line input plus one mic input (venue provides)
- 8. Venue PA, right (venue provides)
- 9. Two side screens, left wall, fed by laptops 2 and 3 (venue provides)
- 10. Two side screens, right wall, fed by laptops 2 and 3 (venue provides)

Legend

-  Jasper brings
-  venue provides (dashed outline)

Stage sizes are minimum footprints. A smaller stage is possible when downsizing to 1 projector.
